20th SUNDAY IN ORDINARY TIME August 18, 2019

†
“Do you think I have come to give you peace on Earth? No, I tell you, but rather division.”

Living a stewardship lifestyle means stepping out of our comfort zone when needed. Many of us like to play it safe, not cause waves, stay in the middle of the road. In today's world we are called to be informed and take a stance for life, marriage and religious liberty.

God bless your generous giving!

Stewardship Corner...

Did you know that the whole point of stewardship is to strengthen our relationship with God, live a more Christ-centered life and use our gifts interdependently to build God's kingdom on earth and ultimately, help each other get to Heaven?

Our idea of stewardship needs to move from our head into our heart. We need to internalize the idea of living a grateful and generous life into our hearts. Stewardship is not just a list of activities, rather it is a transformative lifestyle where we grow in love with God and with each other - it's all about building relationships. What are you grateful for?
